

LIONS PEAK HOLIDAY WINE CLUB SHIPMENT NEWS LETTER

Dear Wine Club Members,

As the holidays and the end of 2009 approaches, we send to you our final package of wines that we deem are a very special collection. Lions Peak invites you to open each bottle and savor it knowing that each wine was created with love and passion for the very art of fine wine making.

From the very first vintage that Lions Peak produced, our legacy of creating synergy between the vineyard and the fine wine that we have produced has existed.

Lions Peak's first commercial vintage was our 1994. We still have a few remaining bottles of the 1994 along with the 1995, 1996, and 1997 and during our Holiday Season open house we invite you to join us and share our special legacy in remembrance of all that have dedicated their lives to the art of fine winemaking.

Included in your shipment is our customary bottle of Champagne, 1998, 1999, Cabernet Sauvignon, 2002 Proprietor's Reserve Cabernet Sauvignon, 2001 Lionnesse, and 2002 Late Harvest Viognier. All of the wines that we have included in your shipment are very limited; therefore, should you enjoy a particular wine please contact us as soon as possible to verify that we have any remaining inventory.

With this statement.... I leave you with the philosophy Lions Peak began in 1994 with LP's first commercial release....

L I O N S P E A K

Cabernet Sauvignon

We at Lions Peak believe that behind every great man there is a woman. As in Jacques-Laurent Agasse's painting Lion and Lioness, the lioness is recognized as a major strength to the king of the animal kingdom. Whether it be lion or man, he does not stand alone to achieve success. In the same tradition behind every great wine there is a noteworthy vineyard. The Grapes for our 100% Cabernet Sauvignon were grown on the Lions Peak Vineyards.

We welcome you to join Lulu, Mary, Kathy, and myself to celebrate the Holiday Season every Saturday from Thanksgiving until New Years. Come taste Lions Peak's wines and share your special holiday memories with our Lions Peak Family.

With deep appreciation and gratitude

Jennifer Rose Arant
